No Fear

I was watching the news and wrote this. We are filled with what ifs, instead of what we are blessed with. Let's take a deep breath and live for this moment....Smile

Ray Goniwika

*When we are faced with worry about the next day;
And the problem won't seem to go away;
Focus on the good in front of your eyes;
Take a deep breath and look for the prize;*

*You will find that when you change your view;
Your worries in your life will change too;
No one wants the hurt to come into their life;
That my friend you cannot change with all your insight;*

*So enjoy the day and the moment you have;
Place faith in God and don't feel sad;
He never said there would be only sunny days;
But in His hands we shall stay;*

*So my friend keep these words close to your heart;
Give everyone you meet a smile is a great start;
Pass over the hurt with all your might;
Look to God for strength and shine out your light. ♥*

*Faith
is seeing light
with your heart
when all your eyes
see is darkness*

*Rely on anything you have felt, or thought, or said, or done,
and you rely on a broken reed:
trust in Christ and Christ alone.*

~Charles Spurgeon~
