

God Never Changed

Ray Goniwika

*We say the world is getting worse;
Like it is under some horrible curse;
We look and point to each other for the blame;
Instead of facing our own individual shame;*

*We read too much of the wrong thing;
And believe in what the television brings;
We seek out instant cures and fixes;
Instead of looking what is in the mixes;*

*We pollute our bodies and minds;
With hate for differences of all kinds;
We live with so much want and greed;
That it takes the place of what we really need;*

*We seek to keep changing everything to go faster;
To make our money and wealth the ultimate master;
Now you see when it is taken away;
You run around scared and so afraid;*

*Because what you have is not real;
It is what you were told was the golden seal;
We need to go back to the basics of life;
When God was important and not full of strife;*

*We left God out of everything as we raced;
He never changed His mercy nor His grace;
So when we are faced with these empty days;
Get on your knees and start to pray;*

*To bring back what really matters to everyone;
Faith in God the Father, Holy Spirit, and Son;
To make Family and Friends need each other again in every way;
God never changed ,we are the ones that swayed;*

*So do not fear what is ahead;
Seek out the good, and things that are real instead;
Bring peace to any troubled heart;
Let's stand strong together is a great start.*
