You're Always There For Me

Joanna Fuchs

*When the world comes crashing in
And chaos rules my mind,
I turn my heart to You, Lord,
And pure, sweet peace I find.*

*You lift me out of trouble
You comfort me in pain;
You nourish, heal and cleanse me,
Like cool, refreshing rain.*

*In times of joy and bliss,
When things are going right,
You lift me even higher,
And fill me with delight.*

*You listen to my prayers;
You hear my every plea;
I'm safe because I know
You're always there for me.*

Dear God, help me to stop worrying about the future and the things I can not control. I always allow myself to become overwhelmed and I miss out on enjoying this amazing and wonderful life that I have been given. I miss out as I worry about what might be. Help me to see more of You, God and less of me, please show me the way and direct my steps.
