I'm Thankful

Written by Ray Goniwika

I'm thankful on this day;

For a God who listen as I pray;

Who has a plan for my road to follow;

Who fills my heart with love instead of leaving it hollow;

I'm thankful for a family whose love runs deep;

Who stands together hand in hand to always keep;

That family tie in times of heartache and trials;

That laughter and joy as we walk together down life's miles;

I'm thankful for the friends;

Who never judge, but pick you up at the end;

Who walk into your life's pace;

To always help you come in first in your life's race;

I'm thankful for kind words spoken;

It makes my spirit soar knowing I'm not just another token;

It is better to give than to receive;

We realize this when in God we believe;

I'm thankful for this church to worship and sing;

To give God the glory for everything;

And to know it is through God's grace;

That we are blessed in this place;

I'm thankful for all of this and more;

To remember what life is really worth living for;

Not for money or fame;

But to help each other without gain;

So on this day let us give thanks and pray;

To always remember God's amazing way;

To live each moment for one another;

Let's give God the glory like no other.....
