Pastor's Paragaphs

There are many false concepts of what the power of the Holy Spirit really is. It is the power to witness. Jesus said, "All power is given unto me in heaven and in earth," Matthew 28:18. And again in Acts 1:8, "But ye shall receive power after that the Holy Ghost is come upon you." The Holy Spirit is not Someone to make us feel better or to help us have a happy life. He has been given to us to help us be better witnesses. Someone who is full of the Holy Ghost will be witnessing. Jesus said, "He shall glorify me," John 16:14a. The person full of the Holy Ghost will not be talking about what the Holy Ghost has done for them. The person full of the Holy Ghost will be talking about Jesus. The Holy Ghost talks about Jesus. Are you telling someone about Jesus?

Wisdom is the right use of knowledge. To know is not to be wise. Many men know a great deal, and are all the greater fools for it. There is no fool so great a fool as a knowing fool.

But to know how to use knowledge is to have wisdom.

Charles Spurgeon
