*Be a lighthouse on a hill
Shine your beacon through and through
Tell others about Jesus
Give other hope renewed*

*Let your light so shine upon men
Never let your light grow dim
Keeps it shining ever brightly?
Share the gift you possess within*

*Shine on your world brightly
Shower on others God's love
Keep your spirit warm and kindled
For another's faith to rise above*

*Be you, a light in every corner'
It doesn't matter where you are
Be the light in someone's darkness
When their way to God seems barred*

*You may be the only light
In someone's dark world
Where souls are lost and broken
Give them wings to fly unfurled"*

*Go light your world around you
Give others hope to dream
Ignite the Light you bear
Shine the Master Supreme*

*Be thankful for God's light
Shine His light through and through
Tell others God's love story'
Light the world around you*
