

When God Is In The Boat

*Upon a sea called Galilee, a boat was found one night,
Filled with the twelve disciples and their Savior Jesus Christ.*

*This boat had sailed into a storm and waves began to roll,
Fear struck the men hand-picked by God and terror filled their souls.*

*And as the rain and wind grew strong, the Lord was fast asleep,
For He is in control of sudden storms and raging seas.*

*Now His disciples only saw the crashing of the waves,
They only felt the stormy blast, but not one drop of faith.*

*Then as the storm sent violent winds, they went to find the Lord,
For when the storm is at its worst, you need to trust Him more.*

*They woke the Lord and then He found disciples gripped in fear,
Why must they worry, storms don't last when Jesus Christ is near.*

*For near He was, they soon would know that faith in God is real,
The waves may toss and winds may blow till Christ says "Peace, be still".*

*And "Peace, be still" is all it takes to calm the storms of life,
To move the clouds and see the sun, and break the fear of night.*

*The Lord desires to calm your storm when you are at the end,
Of what seems like a dead-end road; He'll clear the skies again.*

*So when your boat is tossed by waves and rain begins to fall,
You will not drown if you will pray; the Lord will hear your call.*

*For it is in the hard times when we learn to trust in God,
And understand Psalm 23, that He's our Staff and Rod.*

*And it is in the midst of storms, we see what God can do,
Our eyes may see a sky of gray, but faith sees skies of blue.*

*My friend, it's on a battered ship when waves are growing rough,
That we can feel a perfect peace and presence of His love.*

*But faith must be our guest on board when all else seems to fail,
For God won't navigate off course this ship of life I sail.*

*So never let what you may see determine where you'll go,
You know your ship will never sink when God is in the boat.*
