Let Revival Start With Me

Rejoy Thadathil

*Let revival start with me
then flame to my family
Let revival catch the sleeping church
then to the city I have lived from birth
Move them to all the villages and the state
the gates of hell shall not prevail.*

*Shake us O Lord from our slumber
May our knees bleed and our hearts surrender
Let every kindred soul come to the altar
renew our minds of my sister and brother*

*Remove every passion we have for the world
refine us by testing our hearts as gold
Let revival never cease or grow cold
bind us all together, one body, one fold.*
